

Sri Yantra

Prayer for contemplation of the Sri Yantra:

*Oh Divine Mother, open the portals of my mind
and purify the inner sanctum of my heart
that I may enter into divine communion
and know the mystery of your creation.*

Reveal to me what is true.

*Let all falsehood fall away
in your blessed temple of silence.*

*Guide my steps on the path of awakening
and imbue my journey with compassion.*

*Shine, shine, shine, Mother -
into this life, into the life of our world.*

*May peace prevail in our thoughts,
in our speech, in our actions.*

May absolute peace pervade the universe.

May peace prevail.

Aum, peace, amen.
