

MOM

A large, stylized heart shape is centered on a white background. The heart is outlined with a thick black border. From the top and bottom points of the heart, several thick black lines radiate outwards, creating a sunburst or starburst effect. The text "I love you because" is written in a bold, black, sans-serif font inside the heart, positioned on the left side.

**I love you
because**

*I love you
because...*
